### **Sales Update for the Period from May to June of 2011**

The Board of Directors (the “**Board**”) of Embry Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) is pleased to provide a voluntary disclosure on the sales growth of the Group for the period from May to June of 2011 (the “**Period**”). This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

Information in this announcement is based on the preliminary assessment of the Group’s management accounts which have not been reviewed or audited by the auditors of the Company. Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

Overall sales growth of the Group for the Period has reached 19% as compared to the same period of last year. Increase in sales is mainly attributable to continual increase in sales in the China retail market, an expanded sales network of the Group and increase in the overall demand from the Group’s customers. Products of all five brands enjoyed growth in sales during the Period. For the stores that had been in operation for more than a year, same store sales enjoyed double-digit growth year-on-year.

During the Period, 29 retail outlets mainly in China, on a net basis, were added to the network, bringing a total of 2,012 retail outlets by the end of June, which comprised 1,823 concessionary counters and 189 retail shops.

As there is a net increase in the number of retail outlets, it is expected that there will be additional advertising and counter decoration expenses during the year.
